

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 4026

IN THE MATTER OF:

Served December 14, 1992

Prescription of Revised
Application Form

)
)

Case No. MP-92-42

Pursuant to Commission Regulation No. 54-02, the Commission hereby prescribes a revised application form to supersede the application form currently in use for the following types of applications:

Application for Certificate of Authority;
Application for Temporary Authority;
Application to Amend Certificate of Authority; and
Application to Transfer Certificate of Authority.

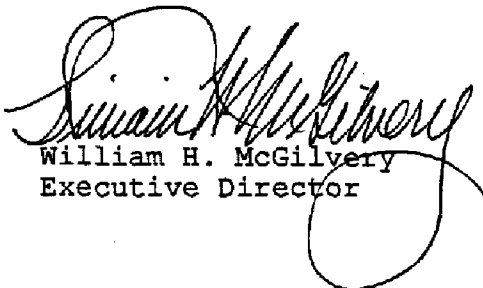

The changes are based on almost two years' experience with the current form, which was adopted by Order No. 3599, served January 17, 1991. The new application form provides more information to applicants, reduces the number of pages, and reduces the information required from applicants. In addition, the new form is designed to be easier to understand and use.

Copies of the form are available at the office of the Commission, 1828 L Street, N.W., Suite 703, Washington, DC 20036-5104, (202) 331-1671. Copies of the form may be picked up at that address or will be mailed upon written or telephone request.

The new application form will become effective immediately. To accommodate persons who may be nearly prepared to file applications on the current forms, applications on those forms will be permitted if accepted for filing within 30 days from the date of this order.

IT IS SO ORDERED.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS DAVENPORT, SCHIFTER, AND SHANNON:

William H. McGilvery
Executive Director
